VOLUNTEERS TO GIVE GYMNASIAC EXHIBITION

NOVEL STUNTS WILL BE PRODUCED AT NEVADA THEATRE APRIL 15.

A second gymnastic performance of the Tonopah Volunteer fire department will take place at the Nevada theater on the evening of April 15, under the auspices of Professor William Schaffer. The exhibition will include a number of turns such as wand drills, horizontal bar exercises, horse jumping, ladies' Indian club act, boxing contests, tumbling pyramid, fire clubs, wrestling and a grand tableau.

It will be remembered that at the last exhibition by the gymnastic members of the volunteers, some surprising acts were produced. Each turn is the result of long practice, and the classes are being instructed nightly by Professor Schaffer.

The ladies' club swinging act will be produced by members of the ladies' class, organized some time ago. During the brief time that training has been indulged in the auxiliary order has shown a decided improvement and will be able to spring a surprise on the night of the entertainment. The proceeds of the affair will be used in purchasing additional supplies for the gymnasium.

NEWLY WEDS CAN BE SEEN AT THE BUTLER

BANNER PROGRAM PROMISED FOR TODAY AT THE MAIN STREET SHOWHOUSE.

As usual a large crowd witnessed a good program at the Butler last night. Today there will be another entire change of program at which time the management will show the banner program of the season. Four pictures and two songs comprise the list. At tonight's performance Miss Feldman will sing by special request that old familiar song, "Annie Laurie." This song is just suited to her voice and her rendition of it will be a treat. She will be accompanied on the piano by Miss Anderson and by Mr. McGuire on the violin.

The following pictures will be shown "A Great Scoop," comedy; "The Legion of Daphnie," drama; "A Millionaire's Adventure," drama, and a big comedy entitled, "The Newlyweds." This is really a good comedy, dealing with a false alarm. A young man being engaged to a girl causes mutual friends to send beautiful wedding gifts to them. The result is that what was a theory before became actual. Sooner than send back the presents they marry and utilize them.

SEEKING BONDSMEN TO PROCURE LIBERTY

Joe Mick, who was recently bound over to the grand jury on a charge of arson, and is held under \$1,500 bonds, has been endeavoring for the past two days to secure his release by raising the required bond. As yet he has been unsuccessful in his quest, and continues to occupy a cell at the county jail.

DISMANTLING OF THE BOSTON HOIST IS COMPLETED

MACHINERY WILL BE SHIPPED TO BUCKHORN DISTRICT SUNDAY.

Nearly all the machinery, including the fifty horse power steam hoist and the small engine for running a compressor, that constituted the hoisting apparatus at the Boston-Tonopah, was loaded on cars yesterday and will probably be sent out to Buckhorn tomorrow. The remaining parts will be conveyed to the depot today when the balance of the work will be completed.

The dismantling of the property under the supervision of James F. McCambridge has been done in record breaking time. The large force of men at work have been kept busy continually. The machinery will be installed at the new property recently purchased by George Wingfield, and will be the first hoist to be operated in the Buckhorn district.

Should the owners of the Boston desire to resume, and rumor has it that such steps may be taken in the near future, an electric hoist will be installed, as practical usage has demonstrated the fact that electric power can be secured at less cost than that of steam.

DEMOCRATS ATTENTION!

Jefferson Day Dinner at Tonopah, April 13th, 1910.

The democratic county central committee of Nye county will give a dinner at Tonopah on the evening of April 13th, next to commemorate the birthday of Thomas Jefferson, the founder of the democratic party, the only political organization in the world's history that has lived one hundred years.

Prominent members of the party from all sections of the state will be in attendance and the best speakers will respond to toasts appropriate to the occasion. Every democrat in Nye county should be present. The cost per plate will be \$2.50. You are requested to advise the committee of your purpose to attend, as early as is possible, so that arrangements can be completed. You cannot afford to miss this opportunity to commune with the party leaders and those who will have much to do with shaping the policies of the organization in the coming campaign. No personal invitations will be sent to any democrat in Nye county—this is to be considered your invitation. Make an effort to come.

MOLLY HILLSTON,

In the title role, "The Gingerbread Man."

"The Gingerbread Man," which will be here Sunday is a comic opera of unusual merit, delightfully rendered by a cast of more than ordinary talent and entertaining abilities, and a large chorus of carefully chosen femininity. The production is said to be all that is claimed for it, and the locale is a pleasing one. The piece depends principally upon its beautiful music, but it has rather a good book, and while the subjects are denizens of fairyland, the parts are so well written that the characters don't pall upon the older people, as the comedy is principally of a travestie kind and has a great many bright lines and funny situations that improve it.

One of the principal scenes in the first act is the mechanical doll feature presented by Ross Snow and

Rose Murray, which was an instantaneous hit last season when introduced in opera. It is a delightful little conceit served up as it is by two accomplished artists it proves as surprising as it is entertaining. Many new musical features have been added to the score this year by A. Baldwin Sloane, the composer, and much that savors of novelty has been introduced to make the piece more interesting than ever to those who have seen it before, and who doubtless will not neglect the opportunity to see it here again.

The company is still under the same management which is a guarantee in itself of its excellence, and of the many musical shows on the circuit last year, "The Gingerbread Man" was compared more favorably to the best, for the reason that it has pronounced merit in its score, music, cast and production.

NAME WAS OMITTED FROM HONOR ROLL

Through an oversight the name of Herbert Cochran was omitted from the roll of honor for the Tonopah schools for the last month, as printed by the Bonanza several mornings ago. Young Herbert is in the third grade, and the haste of the teacher in preparing the report, it is presumed, is the cause of the lad's name having been left out.
